Investment risks:

Because of the high level of risk, NFT's trading/buying is not suitable for all investors. Before trading NFT's, tokens, or any other digital asset, you should carefully examine your investment goals, level of experience, and risk appetite.

INTRODUCING LEGENDARY CLASSES

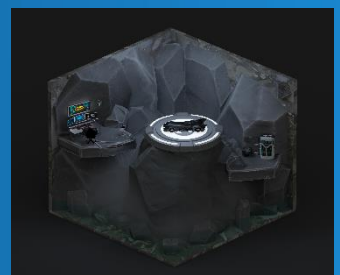

- Legendary Classes (LC's) is a beautiful community empowering creative minds to Learn & Grow, celebrating the dreamers & doers of the world. We are the first official Classes NFT project in the metaverse!
- We are one of the unparalleled NFT artwork collection laying down steps for Metaverse Learning & spreading Love here and now. Legendary Classes is a collection of unique 3D Classes on the Ethereum Blockchain.
- We LC's believe to power an Ecosystem of Good that builds a better world, where our social significance initiative lie at the core of who we are. With each LC's NFT sold, we sponsor children in need, ensuring access to quality education, good health care, nutrition, and a caring environment across India & Africa.

OUR MISSION

Legendary Classes aims at **providing Free Education** whilst preparing your **Metaverse Learning Gateway**. We are a Non-Profit Organization intended to provide excellent education and Mindful skills. NFT have arisen in the market to bestow originality and value to certain digital assets. Today, they are used in the artistic field and in various areas like education etc. which ventures with these resources to improve academic quality. We believe in the future of what NFTs can provide in real World which accomplish artists and collectors to **Learn, relax & even Enter** into the Metaverse. We want to enable anyone to participate in our DAO Community to contribute & arbitrate **DONATIONS & CHARITIES**. We are headed to Spread Love, help to Learn & Grow. We had partnered with some Mindful & Yoga teams & will continue to headhunt with Powerful teams.

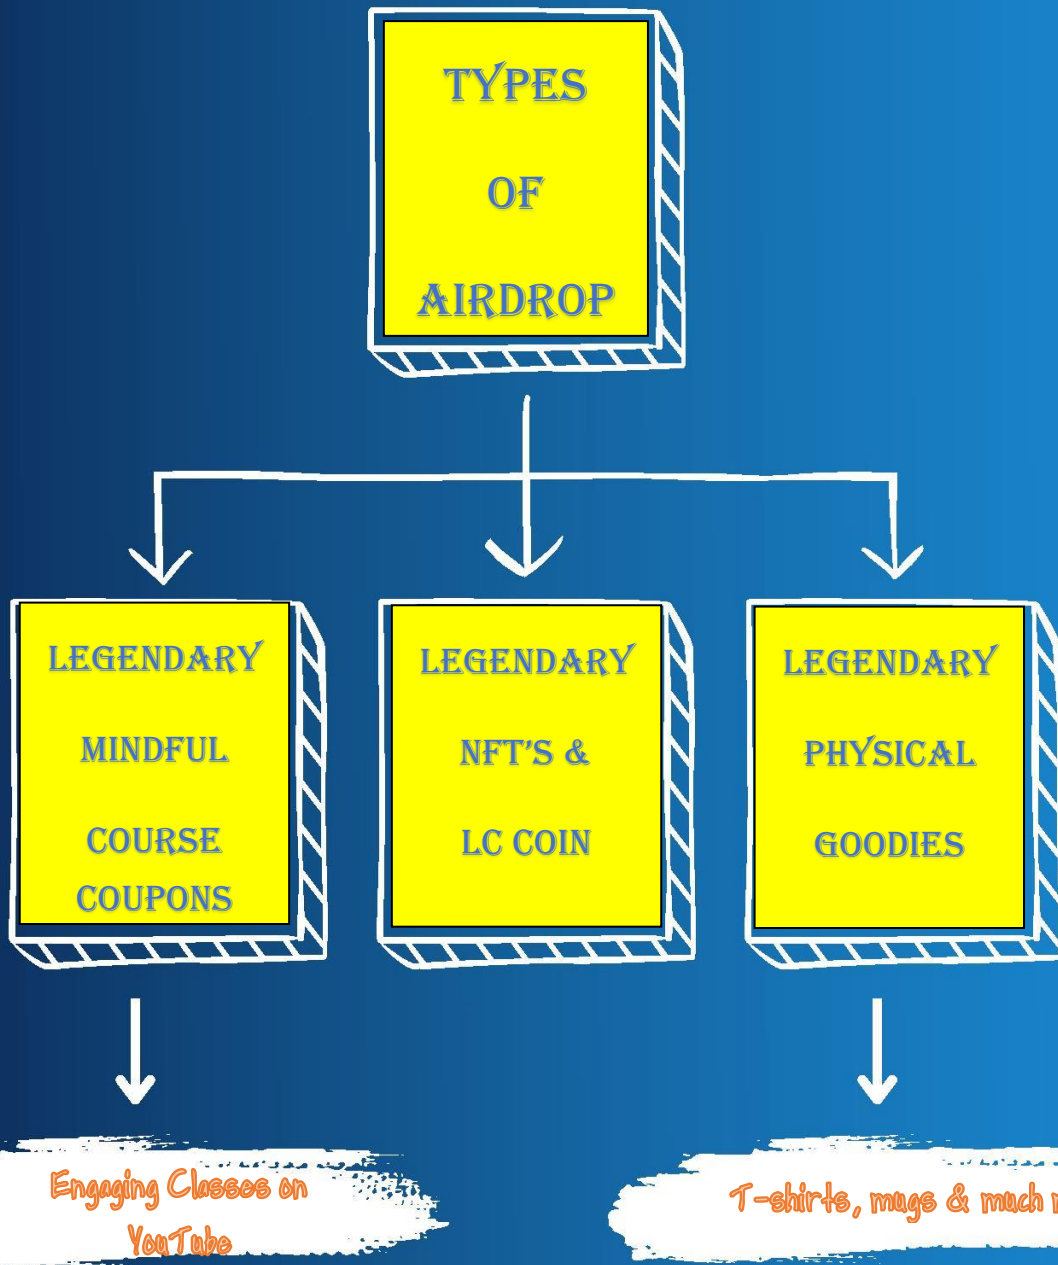

ECOSYSTEM

AIRDROPS

Why we are Unique?

Unparalleled Partnership

1

- Our Partners include Educational Institutes & Wellness Public/Pvt Institutions/ Organizations who stand like Oak Tress
- Holders hold the power to
- Learn & Grow. Instead of those Boring Twitter Talks, enjoy live classes on YouTube & Metaverse.
- For the betterment of the human race! We all are on the purpose of providing free education with the help of beyond-compare Partners.

DAO based Charities

2

- Funders retain agency in the allocation and management of the funds they provide. This provides a greater incentive for funders to donate as they can ensure the impact of their donations. Further it allows for a long tail of small project to be run where the costs of administration would otherwise be too high to justify (e.g. rabies vaccination and sterilization of 10 homeless dogs in some area).
- The system could be considered an improvement on current charity based crowd funding platforms in that projects have to produce deliverables to obtain the funding allocated to them, thus funders act as project supervisors.).

WE ARE TRULY NOT A DAO!

WE ARE MORE THAN THAT...!

It is designed by a community for the community.

Fee's Distribution

Trading fees that occur on marketplaces always have gone to the marketplace wallet. We decided to give this back to the community because without the community we wouldn't get any FUNDS TO SUPPORT FREE EDUCATION.

DAO

Run by the community, if the community has ideas on how to make our CHARITIES better, just submit the idea, and **LET'S VOTE!** Instead of being centralized by a few minds, let's have all minds work together.

Automated Listings

Instead of the normal way of applying to list after your mint and waiting for approvals. We wanted to automate this so there is no lost time. Let your community trade instantly!
